Forecraft has over 25 years experience in the manufacture and supply of quality timber products to enhance any outdoor setting - fencing and decking materials, play and party houses, garden furniture and planters, pergolas and summerhouses and much, much more.

Our trained and skilled workforce ensures that all our own products are manufactured to the highest standards, using only timbers supplied from responsibly managed resources. We also offer the highest quality log cabins and decorative fencing and garden timbers from some of the UK's and Europe's leading suppliers.

To complete our professional service we deliver our garden buildings free of charge up to 30 miles from any of our branches in Scotland.

All in all, a reliable and cost effective solution for all your garden requirements.

Summerhouses

Premium Lomond

3.0m x 1.8m

Lomond

2.58m x 1.79m

Fencing Timbers & Decorative Panels

As well as stocking a wide range of ready treated post and rail fencing timbers, Forestcraft can supply various styles of decorative panel products, made from North European Redwood. These range from simple interwoven panels to joinery finished designs that can create stylish yet sturdy garden boundaries. We also stock a full range of Metpost fixings to help make your fencing project as easy as possible. A full catalogue of our fencing panel designs is available on request.

Log Cabins

Our range of log cabins are manufactured and built to the very highest specifications to meet the extremes of the Scandinavian climate and provide the ultimate choice for your garden retreat. Whether it is to be used as a camping lodge, a fishing cottage or a home office, our log cabins are fully joinery finished in a range of designs and sizes and incorporate all windows, locks and handles.

A catalogue showing the full range of our log cabins is available on request.

Forestcraft has outlets across central Scotland and will deliver free of charge within a 30 mile radius on the mainland.
